C) Special Weather Advisory Bulletin for Poultry Farming:

1. For the next three days in Namakkal district, it will be generally cloudy with incessant rain and enhanced wind speed. Farmers are cautioned to take care of the birds and feed from windy rain. Farmers are also advised to prepare the feed well in advance and store it in dry places for usage during rainy days.

D) Special Agro advisory from Krishi Vigyan Kendra, Namakkal:

2. Farmers are advised to prepare the land for sowing of *Groundnut* during *karthigai pattam* (*Rabi season*) to utilize next three days rainfall. Also advised to foliar spray of (*Castor Gold 0.5 ml/lit of water*) as plant growth regulator consortia in castor plants to induce more female flowers, good pod setting and higher yield.
