ABOUT CHENNAI

Chennai formerly known as Madras, is the capital city of Tamil Nadu State, southern India, located on the Coromandel Coast of the Bay of Bengal. Known as the “Gateway to South India” Chennai is a major administrative and cultural centre. Chennai is a culture-rich city with carnatic music, delicious food, serene beaches and popular temples. It is one of the most preferred tourist destinations in India. Ancient temples, vibrant arts, natural wonders and bustling culinary scene make Chennai, the capital of Tamil Nadu, one of the most popular tourist destinations in the southern fringes of the country. Chennai is known for producing the renowned mulberry silk in bulk. One of the visible places to get your hands on it is George Town. It is the place shopaholics visit to purchase mulberry silk and Kanchipuram sarees. Chennai is often referred to as the Detroit of India because of the presence of a thriving automobile sector. Regular flights connect Chennai from all parts of India, it is well connected by Rail and Road also from most of the country. Veterinary College, Chennai is very close to Chennai Central Railway Station.

WEATHER

The weather in the month of April will be pleasant. The early April is the good time to visit Chennai. Before the commencement of monsoon. During this time, the weather is relatively pleasant and it's not that hot and sticky.
