

TAMIL NADU VETERINARY AND ANIMAL SCIENCES UNIVERSITY

Additional Notification

This additional Notification is issued to the original Notification No.1695/2020 (Advertisement No.04/2020), dated 23.11.2020 and Notice to the candidates dated 16.03.2021 published in the University website (www.tanuvvas.ac.in) / web portal (tanuvvas1.ucanapply.com) in connection with filling up of the posts for Junior Assistant and Typist in the University (TANUVAS) :

i)	A single common computer based online examination (instead of OMR answer coding sheet as notified on 16.03.2021) will be conducted for both the posts of Junior Assistant and Typist called for, based on the approval of the Board of Management (i.e. The Apex authority of the University).
ii)	The tentative date(s) for examination is proposed for February 2023. The actual date of examination will be announced shortly.
iii)	The centres for the examination will be intimated later. The examination centres in respect of the other state candidates will be either at Chennai (as published in the notification) or at the centre located in Tamil Nadu nearest to their native state, subject to availability in the examination centres.
iv)	<p><u>Normalisation procedure to be adopted :</u></p> <p>The following Normalisation procedure as adopted in the recruitments made by the Government of Tamil Nadu for the examinations conducted in more than one session will be adopted.</p> <p><u>Normalisation of the marks:</u></p> <p>Whenever computer based online examination is conducted in more than one session for a post, based on the same syllabus, same pattern, for candidates having same eligibility criteria, the raw marks obtained by the candidates in different sessions will be converted to normalised marks taking into account any variation in the difficulty levels of the question papers across different sessions. A candidate will be permitted to appear only in one session.</p> <p>In case there is only one session, the actual marks obtained by the candidates will be used for arriving at the merit list.</p> <p>The following normalisation formula (as followed in various Competitive Examinations in India) will be adopted for calculating the normalised marks for the examination conducted in more than one session. The formula arrives at normalised score using Mean and Standard Deviation of Base / Standard and Target Batch.</p> <p>$X_n = (S_2/S_1)*(X-X_{av})+Y_{av}$</p> <p>$X_n$ = Normalised Score of Targeted batch</p> <p>S_2 = Standard Deviation of Score of candidate for Standard batch</p> <p>S_1 = Standard Deviation of Score of candidate for Targeted batch</p> <p>X = Score of candidate in Targeted batch whose Normalised score is to be calculated</p> <p>X_{av} = Average score of candidate in targeted batch</p> <p>Y_{av} = Average score of candidate in standard batch</p> <p>Supposing set 1 is to be scaled against set 2 (which is declared as standard) Batch with maximum average with minimum 70% of the average attendance is considered as the standard Batch.</p>

v)	The documents uploaded while applying for the post(s) will be scrutinised only after qualifying the computer based examination.
vi)	The decision of the University on the eligibility of the candidates to appear for the online computer based examination will be final.
vii)	The candidates will be provided an opportunity to have a online practice test before the examination.
viii)	Mere attending of the computer based online examination is not an eligibility criterion for candidates to qualify for the next stage of selection.
ix)	The age of retirement is applicable as per the Tamil Nadu Government norms.

For details and periodical updates on the recruitment process, keep watching the TANUVAS webportal (tanuvas1.ucanapply.com) / website(www.tanuvas.ac.in)
